PROFESSIONAL DEVELOPMENT OPPORTUNITIES

NC Student Success Center Professional Development-Spring 2021

Greetings,

The NC Student Success Center is happy to announce an excellent line up of professional development opportunities for all faculty and staff at our 58 colleges. We have presenters from a variety of our colleges along with national experts to round out our offerings. Please share this information widely at your college.

Register now for these exciting and informative workshops! You will be sent the Zoom links after registering for the workshops. A list by date is also attached for your convenience.

Additionally, remember to check out the Student Success Center Moodle site, ncssc-pd.org. We currently offer a six-module onboarding course called **Start Right Now** that has gotten rave reviews. It includes modules on Who We Are, What We Do, Who We Serve, Advising and Financial Aid, Best Practices for Teaching and Learning, and Promoting Diversity, Equity, and Inclusion. We will be launching six additional courses in January, so check back then. All courses are free and available to all colleges, faculty, and staff on demand.

Thank you,
