IV. Admissions Process

Columbia College does not charge an application fee. Credentials necessary for admission are the following:

1. a completed application with accompanying essay;
2. all unofficial or official college and university transcripts need to be submitted to the Office of Admissions as part of the application and acceptance process. A final official transcript from each previously attended institution must be received before the late registration date or students will be automatically withdrawn from the institution (high school transcript if the applicant has earned less than 30 college credits, or upon request by the Admissions Committee), and
3. minimum GPA: Undergraduate College, Evening College and Online College require a 2.0 cumulative GPA

Columbia College reserves the right to determine which transfer courses meet the requirements and standards of the College. See details regarding transfer credit. Transfer students may be required to complete placement tests prior to registration for certain courses.

Students from Fayetteville Technical Community College entering into this Articulation Agreement in Speech Language Pathology Assistant Associate of Applied Science Degree Program at FTCC and the Bachelor of Arts in Speech Language Pathology at Columbia College will be subject to requirements specified in the Columbia College Bulletin that is current at the time of matriculation into the bachelor's degree program.

SAT or ACT scores are not required for admission; however Clinical Track students can use SAT scores to exempt the requirement to pass the Praxis Core exam.

Columbia College does not discriminate on the basis of race, color, religion, national origin, age, or disability in any of its educational programs, admissions procedures, or employment practices.

V. Transfer of Observation Courses

In order to receive transfer course credit from SLP 230 and SLP 231 at FTCC for SLP 264 at Columbia College, student must submit documentation of a minimum of 25 hours of guided clinical observations to the Columbia College SLP Program Chair that includes the following: date observation occurred that includes month, day, and year, signature and ASHA number of ASHA certified SLP observed on each line of the observation record, and signature, date, and ASHA number of a program representative. The observation record cannot include any arrows, lines, or signatures through multiple observation dates. For guided observations completed after January 1, 2020, the student must also provide the ASHA certification verification for all SLPs observed that shows that the SLP observed completed the required 2 hours of continuing education in supervision PRIOR to the guided observation.

VI. Payment

No payment shall be made to either party by the other party as a result of this Agreement.

VII. Non-Exclusive Agreement

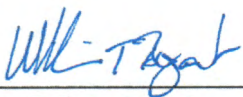

This Agreement is not exclusive. Accordingly, either Party shall have the right to enter into one or more agreements relating to the same or similar matters as are covered by this certain Agreement, and execution by either party of such agreements shall not constitute a breach of this Agreement.

VIII. Entire Agreement

This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof and shall govern the respective duties and obligations of the parties. This Agreement and all incorporated documents by reference contain the entire understanding of the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, and all other communications between the Parties relating to such subject matter.

IX. Amendments

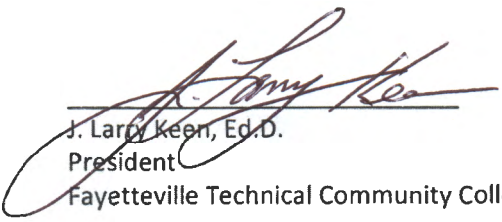

Any changes, modifications, revisions, or amendments to this Agreement which are mutually agreed upon by the Parties to this Agreement shall be incorporated by written instrument, executed and signed by all Parties to this Agreement.
