

**BILATERAL ARTICULATION AGREEMENT
BETWEEN
NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY
AND
FAYETTEVILLE TECHNICAL COMMUNITY COLLEGE**

THIS ARTICULATION AGREEMENT is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter "NCA&TSU") and **FAYETTEVILLE TECHNICAL COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter "FTCC"). NCA&TSU and FTCC hereby join in a collaborative effort to facilitate the transfer of students graduating from FTCC into the Bachelor of Science in Agricultural Education (Agricultural Professional Service) at NCA&TSU and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of FTCC with an Associate in Applied Science (AAS) in Horticultural Technology with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to NCA&TSU provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, FTCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - NCA&TSU agrees to accept transfer coursework completed at FTCC as equivalent on a course-by-course basis. All FTCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see page 3*) with a grade of "C" or better earned.
3. **Faculty** - FTCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status** - FTCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at FTCC and NCA&TSU shall encourage AAS Degree completion at FTCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, FTCC students must complete the AAS Degree. FTCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, FTCC students who transfer prior to completing all AAS Degree requirements must meet the NCA&TSU transfer admissions requirements.
6. **Promotion** - Parties at FTCC and NCA&TSU shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
7. **Accreditation** - FTCC and NCA&TSU will ensure that they maintain accreditation with the appropriate regional accrediting agency and ensure that all operations will be in keeping with accreditation requirements of the two institutions.

8. **Official Designees for Articulation Agreement Administration** - The following representatives will jointly administer this Articulation Agreement and will be responsible for the evaluation and assessment of this Articulation Agreement between NCA&TSU and FTCC.

Dr. Beryl McEwen
Provost and Executive Vice Chancellor
for Academic Affairs
North Carolina A&T State University
1601 Market Street
Greensboro, NC 27411
336-334-7965
mcewenb@ncat.edu

Pamela Gibson
Dean of Engineering & Applied Technology
Fayetteville Technical Community College
2201 Hull Road
Fayetteville, NC 28303
910-486-3930
gibsonp@faytechcc.edu

9. **Agreement Review, Change, and Termination** - This Articulation Agreement shall be reviewed at least once every three years, by the designated officials at both institutions and is subject to change by mutual written consent. Either party may revoke this agreement by written notice to the other party, giving at least one year's notice of intent to discontinue the agreement. However, it is understood and agreed that any student admitted to NCA&TSU under this Articulation Agreement will be allowed to complete the program notwithstanding the termination provision above, so long as such student is in good standing and is making progress toward degree completion. This Articulation Agreement is effective beginning the fall semester 2018.
