## Register today for the Evening Cosmetology Certificate Program

Class meets Monday-Thursday 5-10PM

FTCC Corporate and Continuing Educational 1500-hour Evening Cosmetology Certificate Program course consists of a combination of both theory and practical hands-on experience in a salon environment setting. The areas of learning that will be taught includes hair cutting, haircoloring, texture services, nail care, skin care, makeup application, marketable concepts of gaining and retaining clients. This program is taught in 3 segments. In just over a year, you should be qualified to sit for the State Board of Cosmetic Arts examination. Upon successfully passing the State Board exam, graduates will be issued a license. Your cosmetology license will allow you to work in many areas of the Beauty Industry such as: Cosmetology, Makeup Artist, Skin Care Specialist, Haircolorist, Nail Care Specialist, Beauty Business Consultant, Fashion Show Stylist, Beauty Blog Writer/Editor or launch your own Beauty Business.
