An Equal Opportunity Employer

Congratulations on chossing a rewarding career in law enforcement! Perfect candidates for the Criminal Justice Technology/Policing Diploma Program possess great character, high morals, and a respect for others. You are taking the first step in pursuing rewarding career possibilities in law enforcement. The "Policing Diploma Program" is designed to prepare eligible students witih the necessary education and skills for the Basic Law Enforcement Training (BLET) Academy.

NOTE: Please be aware that attending the Policing Diploma Program DOES NOT guarantee a seat in the BLET Academy.

The Criminal Justice Technology curriculum is designed to provide knowledge of criminal justice systems and operations. Study will focus on local, state, and federal law enforcement, judicial process, corrections, and security services. The criminal justice system's role within society will be explored.

Emphasis is on criminal justice systems, criminology, juvenile justice, criminal and constitutional law, investigative principles, ethics, and community relations. Additional study may include issues and concepts of government,counseling, communications, computers, and technology.

Employment opportunities exist in a variety of local, state, and federal law enforcement, corrections, and security fields. Examples include police officer, deputy sheriff, county detention officer, state trooper, intensive probation/parole surveillance officer, correctional officer, and loss prevention specialist.
