An Equal Opportunity Employer

PROGRAM FACT SHEET PHYSICAL THERAPIST ASSISTANT (A45620)

The Physical Therapist Assistant curriculum prepares graduates to work in direct patient care settings under supervision of physical therapists. Assistants work to improve or restore function by alleviation or

prevention of physical impairment and perform other essential activities in a physical therapy department.

Course work includes normal human anatomy and physiology, the consequences of disease or injury, and physical therapy treatment of a variety of patient conditions affecting humans throughout the life span.

The Fayetteville Technical Community College Physical Therapist Assistant program is accredited by the Commission on Accreditation in Physical Therapy Education of the

American Physical Therapy Association. Upon receiving your Associate of Applied Science degree from the college, the graduate may be elgible to sit for the Physical Therapist Assistant licensure examination. Successfully meeting licensure requirements allows the graduate to work as a Physical Therapist Assistant. Employment is available in general hospitals, rehabiliation centers, extended care facilities, specialty hospitals, home health agencies, private clinics, and public school systems.

FAYETTEVILLE TECHNICAL COMMUNITY COLLEGE
