

FTCC CUSTOMIZED & INDUSTRY TRAINING

The Fayetteville Technical Community College (FTCC) Customized and Industry Training Program brings the best corporate trainers and courses from across North Carolina right to the doorstep of businesses across Cumberland County. The Customized Training Program partners with local businesses to develop practical training solutions that are cost and time efficient, while effectively meeting corporate goals.

Like a corporate concierge, our staff will meet with your business to determine training goals, customize a series of courses that meet your time and investment targets, and coordinate the delivery of the training program through completion of the project. Many businesses are eligible for funding that can greatly reduce the cost of training; find out if your company is eligible today.

Pillars of Partnership Training Success

- Fully customized industry training to meet your site-specific employee development needs
- High impact effectual training provided at your plant location or on our campus
- Training available in wide range of fields including safety and regulatory, IT, quality/process improvement, technical/maintenance, and employee or supervisory soft skills development
- Utilization of a robust network of training facilitators including FTCC staff and faculty, regional trainers from the NC Community College System, and preferred third-party training providers

Funding Opportunity: Can your business check two or more of the following criteria?

- The business is making an appreciable capital investment.
- The business is deploying new technology.
- The business is creating jobs, expanding an existing workforce, or enhancing the productivity and profitability of the operations within North Carolina.
- The skills of the workers will be enhanced by the assistance.

Allow us to cater to you through a process that develops your workforce to your needs, on your time.
