

*Proud to assist our military veterans and spouses
with starting their next rewarding career!*

Stevens has a long-standing partnership with the military and has been recruiting veterans for over 30 years. Stevens Transport is a sustaining member of the Association of the United States Army and shares the same core values in Excellence, Innovation, Professionalism, Inclusiveness, Integrity and Responsiveness. These cherished values to our country and soldiers led to a trusted partnership between Fayetteville Tech, Stevens Transport and Fort Bragg.

Stevens Transport is recognized as one of the premier transportation companies in North America. Our worldwide headquarters is based in Dallas Texas where Stevens Transport specializes in the transportation of time-sensitive and temperature-controlled commodities throughout the 48 States, Canada and Mexico.

Stevens was established in 1980 and services some of the largest Fortune 100 companies in the United States. Stevens Transport is proud of our 35-year reputation of providing long-lasting, award-winning successful careers to our distinguished military personnel as they complete their service to our country. Family-owned and operated, Stevens Transport business is a seamless transition as we share a similar culture and values with our veterans. Our reputation for excellence and our people driven philosophy allows us to continue to lead the industry.

Stevens Transport is sponsoring the total cost of CDL training and is proud to support our military men and woman as they transition to civilian life and corporate America. This partnership will deliver a defined and established CDL program to the transitioning soldiers at Fort Bragg and community which will result in direct employment with Stevens Transport. Veterans can earn approximately \$45,000.00 their first year and up to \$70,000.00 by their third year as a professional driver. With our Department of Labor and VA Approved Apprenticeship Program, eligible veterans can earn up to an additional \$20,360.00 tax free in addition to their regular pay over the first year.
