ISBN: 9781133440079

FTCC Bookstore: \$95.50 plus tax

CNA II COURSE REQUIREMENTS

1. You must be able to read, understand and communicate effectively in English to participate in this class. Students will be required to care for clients in lab and clinical settings (and must be capable of lifting, transferring and positioning patients with no weight limitations using both hands to perform tasks, reacting to emergencies, walking fast; this is not an exhaustive list). Reasonable accommodations assigned for the theory section of the course do not necessarily transfer to lab and clinical. A separate designation has to be established for each portion of the course. Accommodations deemed to threaten client safety are not considered reasonable and will not be granted. If you have a medical condition (including pregnancy), you need a note from your physician stating you have NO RESTRICTIONS in the class, lab, and/or clinical to continue with the program.
2. Any student wishing to request academic accommodations due to a disability must make their request to the Office of Disability Support Services. Disability Support Services: Margarete Morley, 910-678-0182.
3. **Please note Clinical Facilities require background checks and drug screens. The cost is the student's responsibility:** Drug screen - \$35, Background - \$8. Adverse findings in your background check and drug screen will prohibit you from attending clinical. This results in being dismissed from program without a refund. **DO NOT** obtain prior to starting the class! The Instructor will inform you if the clinic you will attend requires this.
4. Artificial nails and/or long natural nails not allowed and must be removed before the start of **2nd week of class**. Tattoos covered during class, lab, and clinical. Long hair pulled back and/or put up at all times.
5. **REQUIRED SUPPLIES: (Required by start of the 2nd week of class)**
 - a. A watch with a second hand (non-digital)
 - b. Blood pressure cuff with storage bag (non-digital)
 - c. Stethoscope
 - d. Small pocket note pad
 - e. Gait belt
 - f. Bandage scissors
6. **Copy of current immunization record with all necessary shots:** MMR, Varicella, PPD(annual tuberculosis screening), Hep B and Tdap will be required by the end of the **2nd week of class**. Some shots take 30 days or more to process the results, so it is important you do not wait to complete this requirement. Failure to comply with this requirement will result in dismissal from the program.
7. **Personal Characteristics:** Must be able to remain calm and in control during stressful and emergency situations. Must maintain good interpersonal skills with peers and accept appropriate criticism. Must be able to organize and prioritize workload in line with established guidelines. Must display respect, honesty, and integrity in the classroom, the clinical area and with all members of the Healthcare Team.
8. **Physical Characteristics and Work Conditions:** May be exposed to communicable diseases (HIV, Hepatitis, etc.). May be exposed to unpleasant sights, odors, and materials. May be exposed to bodily fluids, chemicals and disinfectants. Must be able to stand for long periods of time(4 or more hours) without relief. Must be able to lift heavy equipment/objects up to 50 pounds, and be able to transfer patients independently if necessary. Must practice good body mechanics in all physical activities when in the lab and clinical area. Required to assist with lifting and positioning patients. Must be able to walk, run and move quickly in a safe manner to provide support during emergency situations. Must be able to hear normal conversation within a range up to 20 feet. Must be able to use both hands in passing instruments to the surgeon in a timely and accurate manner. Must be able to use both hands to assemble supplies and equipment and to reposition patients. Regularity of breaks and lunchtime are not guaranteed. Must be free from communicable disease(TB, Hepatitis, HIV, etc.) Must be able to report for clinical rotations on time.
9. **REFUND POLICY:** If you withdraw prior to the **1st day of class** you may be eligible for a 100% refund. If you withdraw on or after the **1st day of class**, you may be eligible for a 75% refund of the registration fee if requested prior to the 10% date. After the 10% date there are no refunds given. Once the class begins, the insurance fee is non-refundable. It is **your responsibility** to request a refund if you drop a class or are withdrawn. You must come to the Neill Currie Building, Room 8 to complete the drop form. NOTE: Your refund will take 2-3 weeks to be processed.
