 - Copy of current immunization record with all necessary vaccinations. MMR, Varicella, PPD, Hep B, TDAP, and flu shot are required by the end of the **4th week** of RMA I.

Non-compliance with ANY deadline listed above can result in dismissal from the program.

This course prepares the student to become a multi-skilled front and back office professional. Upon completion of Part 1 and Part 2, students will be able to sit for a National Medical Assistant examination through AMT.

Please note: Clinical facilities require a criminal background check and drug screen prior to attending clinical rotation. These will be due by the 2nd week of class. If a student cannot meet the criminal background check and pass drug screen requirements, he or she will not be able to complete the program and will be dismissed from the course WITHOUT a refund. (DO NOT obtain prior to starting the class!)

Registered Medical Assistant I & II
COURSE REQUIREMENTS

1. You must be able to read, understand and communicate effectively in English to participate in this class. Students will be required to care for clients in lab and clinical settings (and must be capable of lifting, transferring and positioning patients with no weight limitations using both hands to perform tasks, reacting to emergencies, walking fast; this is not an exhaustive list). Reasonable accommodations assigned for the theory section of the course do not necessarily transfer to lab and clinical. A separate designation has to be established for each portion of the course. Accommodations deemed to threaten client safety are not considered reasonable and will not be granted. If you have a medical condition (including pregnancy), you need a note from your physician stating you have NO RESTRICTIONS in the class, lab, and/or clinical to continue with the program.
2. Any student wishing to request academic accommodations due to a disability must make their request to the Office of Disability Support Services. Disability Support Services: Casey Groover, 910-678-8479.
3. A copy of complete immunizations record required to attend clinicals (Hep B, Varicella, PPD, MMR, TDAP, and flu shot) must be given to your instructor by the 4th week of RMA I.
4. Artificial nails of any kind (even overlays on real nails) are not allowed. Long natural nails are not allowed. Nails are to be no longer than the tip of finger. Nail polish of any kind is not allowed. Tattoos must be covered during class, lab, and clinical.
5. Hair is to be neat, clean, off the collar, out of eyes, and no extreme colors or styles (i.e., purple, green, pink, red, gray that is not natural). Large, loud hair bows/headbands, flowers, or hairclips are not acceptable. Wear dark, neutral colors. Students must wear their natural hair colors.
6. Cosmetics should be applied lightly. Perfume and scented lotions aren't allowed in class/lab/clinical. Piercings may only be worn in the ears and one set is allowed. These should be studs only. No bar earrings allowed. No loop or long dangling earrings allowed. Extreme long eyelashes are not allowed. They must be neat/natural looking.
7. Students will be required to perform Phlebotomy sticks on each other in order to test out of the Phlebotomy portion of the National Registry Exam.
8. Supplies: 3 Ring Binder (3in), watch with second hand (non digital), stethoscope, blood pressure cuff (non digital), name tag (Castle Uniforms) (Required two weeks from the 1st day of class).
9. **REFUND POLICY:** If you withdraw prior to the **1st day of class** you may be eligible for a 100% refund. If you withdraw on or after the **1st day of class**, you may be eligible for a 75% refund of the registration fee if requested prior to the 10% date. After the 10% date there are no refunds given. Once the class begins, the insurance fee is non-refundable. It is **your responsibility** to request a refund if you drop a class or are withdrawn. You must come to the Neill Currie Building, Room 8 to complete the drop form. NOTE: Your refund will take 2-3 weeks to be processed.

I have read the above requirements and understand each requirement must be fulfilled in order to continue in the RMA I & RMA II programs. No exceptions made to these requirements. I am aware if fail to meet the requirements, I will be dismissed from the program.
