## Cybersecurity Club hits the Gym

On Friday, February 25th the Cybersecurity Club participated in the National Cyber League (NCL) Competition Open Gym.

The NCL Gym provides practice challenges to prepare competitors for the upcoming games. In the Gym, players can access guides that include step-by-step instructions to aid in the practice challenges.

The club plans to meet several times to help everyone prepare for the April competition.

No experience required. If you'd like to join the fun contact Mrs. Holley holleyr@faytechcc.edu or Mr. Cummings, cummingw@faytechcc.edu

Did you miss the start of this semester due to life events or procrastination?

Luckily there is a second eight-week session about to start and there is still time to enroll in a class or two

Classes start Thursday **March 10th**.

### Summer Registration Opens March 21st

Beginning March 21st you can register for Summer classes.

You can register via Self-Service or reach out to your advisor for assistance.

NCL is not the only event happening in April.

Consider participating in one of the jeopardy –style capture the flag (CTF) events listed below

Interested in attending for free?  
Become a volunteer at this [link](#)

The goal of this Symposium is to allow a forum to demonstrate new, innovative ideas and share best practices that promote valuable results to technology challenges faced by our military today, especially in the Fort Bragg area .

The Exposition offers an excellent opportunity to learn about the latest advances in technology through an interactive approach with attendees
