Course schedule subject to change. Please check FTCC's WebAdvisor for the most up-to-date course information and to view additional course offerings, formats, and sections available. To access WebAdvisor, please go to <https://webadvisor.faytechcc.edu>. Because of multiple course formats and overlapping start dates, please verify when requesting TA that the Course, GoArmyEd Class #, Instruction Mode, and Course Dates match for the section you are requesting. Last updated 06/28/2017.

¹ All FTCC courses require students to complete a Participation Assignment by the 10% point of the course. Students who do not complete the Participation Assignment by the 10% point may be dropped as No Show and subject to possible recoupment.

² Flex courses are another way that Fayetteville Technical Community College provides flexible scheduling options for you. These courses allow students the most flexibility in fitting courses around their busy schedules due to the flexibility of due dates.

³ No Book sections and textbook information apply only to the section(s) listed. All other section offerings of the course may require a different textbook. For textbook information for all other courses, please visit the FTCC Bookstore online at <https://bookstore.faytechcc.edu/>. For textbook purchasing information for all courses listed on this schedule, including Instant Access E-book, please contact your instructor or Kristina Noriega (noriegak@faytechcc.edu).
