The Trojan Jump Start program is a summer bridge enrichment opportunity that offers tuition-free courses. Students will take a freshman seminar and either Math or English with a developmental co-requisite course to ensure the students are receiving the academic support needed for success. Participants will work closely with a Success Coach throughout the program. Books and course materials will be provided at no charge. Students will each receive a laptop for use during the program, and students who successfully complete all coursework will keep the laptop.
