Evaluation Notes:

* Students should choose this course in registering for coursework at Fayetteville Technical Community College.

Associate's degree must be composed of at least 90 quarter credits to fulfill Kaplan's prior degree requirement. Any credits completed above the required 90 quarter credits can be applied to the Open Elective requirements.

This worksheet does not constitute an official evaluation of a student's prior learning. All students who possess prior learning are encouraged to submit evidence of such and apply for credit evaluations. The University may award credit for various forms of prior learning including courses taken at other institutions, experiential learning, military credit, and others. All prior learning is reviewed on a case-by-case basis, and credit is awarded ultimately at the discretion of the University. To be considered, official transcripts and exam scores should be sent to the following address:

Kaplan University
