ARTICULATION AGREEMENT

This Articulation Agreement is entered into by and between Fayetteville Technical Community College its affiliates, subsidiaries and related corporations (hereinafter referred to as the "School") and Chamberlain University and shall become effective as of the date of the last signature (effective date). This agreement enables School's graduates, employees or faculty who enroll in Chamberlain College of Nursing's online programs or Chamberlain College of Health Professions online programs to receive a waiver of the application fee normally required by Chamberlain University and incorporates all current and future programs offered by Chamberlain University in North Carolina. In addition, Chamberlain has the ability to offer customized group start options that are designed to encourage Institution's employees to advance their degree.

Transfer Agreement

1. Graduates from School with an Associate Degree in Nursing and proof of RN licensure may be awarded up to 77 proficiency credit hours through the Chamberlain University Articulation Plan (CCAP). This includes 37 liberal arts and sciences credits and 40 nursing credits.
2. This articulation is made explicitly subject to the terms of Chamberlain's admission requirements, academic policies, and program requirements, including but not limited to the Chamberlain academic catalog and student handbook (all of the foregoing collectively referred to herein as the "Chamberlain Policies"). Transfer of courses are considered on an individual basis. Chamberlain may require a catalog, syllabus or additional material. Official transcripts from previously attended institutions are required and the course(s) must be comparable in level and content to the course for which the student is awarded credit. The evaluation includes an analysis of how the courses accepted in transfer meet specific course requirements in the curriculum. In the event of any conflict between or among Chamberlain Policies or elsewhere in this articulation, the terms of the Chamberlain Policies shall prevail.

Admission Information

3. School's students are eligible for admission to Chamberlain University's online RN-BSN degree completion option provided they meet the following requirements:
 - a. Submit a complete application for admission to Chamberlain University along with the Institution Education Partner (IEP) Eligibility form, and
 - b. Is a registered nurse with a current, active RN license in the U.S. or in a jurisdiction that is an associate member of the National Council of State Boards of Nursing (NCSBN), and
 - c. Has a minimum cumulative grade point average of 2.0 on a 4.0 scale.

Please refer to <http://www.chamberlain.edu/academics> for current admission requirements for all online programs

School Responsibilities

4. During the term of this Agreement, the School will assist Chamberlain in organizing informational events to communicate the opportunities available through this agreement to all eligible graduates, employees and faculty on a quarterly basis. The

CHAMBERLAIN UNIVERSITY

National Management Office | 3005 Highland Parkway, Downers Grove, IL 60515 | 888.556.8226 | chamberlain.eduPlease visit chamberlain.edu/locations for location specific address, phone and fax information.

opportunities can include, but are not limited to, information/education sessions, workshops, seminars/speakers, webinars, lunch and learns and engaging the graduating classes.

5. This Agreement has an initial term of one (1) year. Thereafter, this Agreement will automatically renew on a year-to-year basis for up to two (2) additional one-year terms, unless either party gives the other party a minimum of thirty (30) days prior written notice of non-renewal. Notwithstanding the foregoing, either party may terminate this Agreement for good cause at anytime.

Chamberlain's Benefits, Terms and Conditions

6. School's graduates, employees or faculty who enroll in and attend the Chamberlain RN to BSN Degree Completion Option, RN-BSN to MSN, Master of Science in Nursing (MSN), Graduate Certificate, Doctor of Nursing Practice (DNP) or Master of Public Health (MPH) and all non nursing graduate online programs will be charged tuition at a group specific rate of Chamberlain's then prevailing tuition rate applicable to those online programs. The Chamberlain program and group specific tuition rate applicable to each program are set forth in Exhibit A. Exhibit A is subject to change at Chamberlain's sole discretion. The group specific tuition rate will not apply until the first session start after the execution of this Agreement. For current tuition and fees, please refer to chamberlain.edu/tuition. This Agreement applies to all of Institution's employees, faculty or graduates who are Chamberlain students, whether new or continuing.

7. *Non-tuition* expenses such as books and fees that may be charged to students by Chamberlain are not subject to the group-specific pricing. No credits or repayments shall be made for any graduates, employees and faculty already enrolled at the time this Agreement becomes effective. School's graduates, employees and faculty are subject to all other admission requirements as set forth in the respective Chamberlain catalogs, addenda and other materials.

8. Neither party is allowed to use the other party's name, tradename, trademark or logos in publicity releases, advertising or social media without first securing prior written consent from the other party for each use.

9. The relationship established under this Agreement shall be that of a contractor and neither party shall be, nor hold itself out to the public as being, an employee, agent, joint venturer or partner of the other. Neither party shall have authority to contract for or bind the other in any manner.

10. Upon termination of this Agreement, the limited licenses set forth in this section will immediately terminate and each party shall (i) cease all such aforementioned use; and (ii) discard, destroy or delete any printed and electronic materials containing the name, tradename, trademark, or logo of the other party. Neither party shall use the name, tradename, logo, or trademark of the other party in any way that would cause confusion in the public mind as to the relationship between the parties and, except for the limited license set forth in this section, neither party shall by virtue of this Agreement gain any right, title, or interest in any name, tradename, trademark, or logo of the other party. This section shall survive termination of this Agreement for any reason.

Indemnity and Limitation of Liability

- a. Chamberlain will indemnify and hold harmless School from any damages or expenses caused solely by Chamberlain's use of School's name, trade names, trademarks, and logos or failure to comply with the *requirements* regarding termination of this Agreement as provided in paragraph 10. Chamberlain will have no duty to defend and allegations will not trigger the Chamberlain's duty to indemnify defense costs. Chamberlain shall have no obligation to indemnify School for any damages or expenses School incurs arising out of School's negligence, acts or omissions. In the event that School enters a settlement with a third-party, Chamberlain will have no obligation to indemnify School for the settlement or other expenses.
- b. To the extent permitted by the NC Tort Claims Act (N.C. Gen. Stat. § 143-291 et seq.), school will indemnify and hold harmless Chamberlain from any damages or expenses caused solely by School's use of Chamberlain's name, trade names, trademarks, and logos or failure to comply with the requirements regarding termination of this Agreement as provided in paragraph 10. School will have no duty to defend and allegations will not trigger the School's duty to indemnify defense costs. School shall have no obligation to indemnify Chamberlain for any damages or expenses Chamberlain incurs arising out of Chamberlain's negligence, acts or omissions. In the event that Chamberlain enters a settlement with a third-party, School will have no obligation to indemnify Chamberlain for the settlement or other expenses.
- c. Chamberlain hereby disclaims all warranties, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. Chamberlain's aggregate maximum liability arising from or in any way related to this

articulation (whether in contract, tort, strict liability or otherwise) shall not exceed One Thousand Dollars (\$1,000). In no event will Chamberlain be liable for any indirect, consequential, incidental, special or punitive damages of any kind.

11. In the case this Agreement is terminated for any reason by either party, no additional School's graduates, employees and faculty will be eligible for the Program benefits. Students enrolled at the time of termination will (i) receive the applicable group tuition rate for one session following the then current session; and (ii) be informed by the Chamberlain admissions services team via e-mail that their group tuition rate will be eliminated after one term following the then current session.

12. This Agreement contains the entire and complete understanding of the parties as to its subject matter and supersedes any and all prior or contemporaneous understandings, agreements, discussions or offers, whether written or oral. This Agreement may not be modified, altered, or amended except by a written instrument signed by both parties. Any provision of this Agreement which is found to be illegal or invalid shall be severed and removed from this Agreement and shall not affect the legality or validity of the remaining provisions.

13. This Agreement shall be governed and construed according to the laws of the State of North Carolina without regard to any choice of law provision.

Addendum One: Fayetteville Technical Community College Curriculum

Associate of Science in Nursing

NUR 101 Practical Nursing I

Lecture: 07 **Lab:**06

Clinical: 06 **Credit:**11

Components: None

Prerequisites: Departmental Approval

Corequisites: Take BIO 163

This course introduces the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including assessment, clinical decision making, professional behaviors, caring interventions, biophysical and psychosocial concepts, communication, collaboration, teaching/learning, safety, ethical principles, legal issues, informatics, and evidence-based practice. Upon completion, students should be able to provide safe nursing care across the lifespan incorporating the concepts identified in this course.

NUR 102 Practical Nursing II

Lecture: 07 **Lab:**00

Clinical: 09 **Credit:**10

Components:

Prerequisites: Take BIO-163 and NUR-101

Corequisites: None

This course is designed to further develop the concepts within the three domains of the individual, nursing, and healthcare. Emphasis is placed on the concepts within each domain including clinical decision making, caring interventions, biophysical and psychosocial concepts, communication, collaboration, teaching and learning, accountability, safety, informatics, and evidence-based practice. Upon completion, students should be able to provide safe nursing care across the lifespan incorporating the concepts identified in this course.

NUR 103 Practical Nursing III

Lecture: 06 **Lab:**00

Clinical: 09 **Credit:**09

Components:

Prerequisites: Take ENG-111 and NUR-101

Corequisites: None

This course is designed to assimilate the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on biophysical and psychosocial concepts, professional behaviors, healthcare systems, health policy, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide safe, quality, and individualized entry level nursing care.

NUR 111 Intro to Health Concepts

Lecture: 04 **Lab:**06

Clinical: 06 **Credit:**08

Components: None

Prerequisites: None

Corequisites: Take BIO 168

This course introduces the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including medication administration, assessment, nutrition, ethics, interdisciplinary teams, informatics, evidence-based practice, individual-centered care, and quality improvement. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 112 Health-Illness Concepts

Lecture: 03 **Lab:**00

Clinical: 06 **Credit:**05

Components: None

Prerequisites: NUR 111

Corequisites: Take BIO-168

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of acid-base, metabolism, cellular regulation, oxygenation, infection, stress/coping, health-wellness-illness, communication, caring interventions, managing care, safety, quality improvement, and informatics. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 113 Family Health Concepts

Lecture: 03 **Lab:**00

Clinical: 06 **Credit:**05

Components: None

Prerequisites: Take NUR-111 and NUR-112

Corequisites: Take BIO-169, NUR-114, and PSY-150

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of oxygenation, sexuality, reproduction, grief/loss, mood/affect, behaviors, development, family, health-wellness-illness, communication, caring interventions, managing care, safety, and advocacy. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 114 Holistic Health Concepts

Lecture: 03 **Lab:**00

Clinical: 06 **Credit:**05

Components: None

Prerequisites: Take NUR 111 and NUR-112

Corequisites: Take BIO-169, NUR-117, and PSY-150;

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, inflammation, sensory perception, stress/coping, mood/affect, cognition, self, violence, health-wellness-illness, professional behaviors, caring interventions, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 117 Pharmacology

Lecture: 01 **Lab:**03

Clinical: 00 **Credit:**02

Components:

Prerequisites: None

Corequisites: None

This course introduces information concerning sources, effects, legalities, and the safe use of medications as therapeutic agents. Emphasis is placed on nursing responsibility, accountability, pharmacokinetics, routes of medication administration, contraindications and side effects. Upon completion, students should be able to compute dosages and administer medication safely.

NUR 211 Health Care Concepts

Lecture: 03 **Lab:**00

Clinical: 06 **Credit:**05

Components: None

Prerequisites: Take NUR-111, NUR-112, NUR-113 and NUR-114

Corequisites: Take ENG-111, NUR-212, and PSY-241;

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, infection, immunity, mobility, comfort, behaviors, health-wellness-illness, clinical decision-making, caring interventions, managing care, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 212 Health System Concepts

Lecture: 03 **Lab:**00

Clinical: 06 **Credit:**05

Components: None

Prerequisites: Take NUR-111, NUR-112, NUR-113, and NUR-114

Corequisites: Take ENG-111, NUR-211, and PSY-241

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of grief/loss, violence, health-wellness-illness, collaboration, managing care, safety, advocacy, legal issues, policy, healthcare systems, ethics, accountability, and evidence-based practice. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

NUR 213 Complex Health Concepts

Lecture: 04 **Lab:**03

Clinical: 15 **Credit:**10

Components: None

Prerequisites: Take NUR 111, NUR 112, NUR 113, NUR 114, NUR 211, and NUR 212

Corequisites: Take ENG-112 or ENG-114

This course is designed to assimilate the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of fluid/electrolytes, metabolism, perfusion, mobility, stress/coping, violence, health-wellness-illness, professional behaviors, caring interventions, managing care, healthcare systems, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide quality, individualized, entry level nursing care.

Addendum Two: Course Transfer Guide

Fayetteville Technical CC
2201 Hull Rd Fayetteville, NC 28303
 Semester

Southern Association of Colleges and Schools

Catalog Location: All courses evaluated using the (2017-2018) catalog.

The transfer of courses is considered on an individual basis. Applicants are required to provide official transcript(s). An official transfer credit evaluation will be completed upon receipt of these transcript(s). Please visit [http: www.chamberlain.edu/catalog](http://www.chamberlain.edu/catalog) for additional information regarding transfer credit guidelines.

The course equivalency table is current as of (2/28/18). Course equivalencies are subject to change. Please see an admissions representative for the steps to complete an official transfer credit evaluation.

Transfer credit is awarded for the number of credit hours earned at the external institution. Students will need to meet the minimum credits required for graduation for their enrolled program.
