THIS ARTICULATION AGREEMENT is made and entered into by and between NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY, a public university located in Greensboro, North Carolina (hereinafter "N.C. A&T") and FAYETTEVILLE TECHNICAL COMMUNITY COLLEGE, a North Carolina Community College System Institution (hereinafter "FTCC"). N.C. A&T and FTCC hereby join in a collaborative effort to facilitate the transfer of students graduating from FTCC with an Associate in Applied Science in Building Construction into the Bachelor of Science in Construction Management at N.C. A&T provided all other admissions conditions are satisfied. In order to be considered for admission in accordance with this Articulation Agreement, FTCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at FTCC as equivalent on a course-by-course basis. All FTCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see pages 3*) with a grade of "C" or better earned.
3. **Faculty** - FTCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status** - FTCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at FTCC and N.C. A&T shall encourage AAS Degree completion at FTCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, FTCC students must complete the AAS Degree. FTCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, FTCC students who transfer prior to completing all AAS Degree requirements must meet N.C. A&T transfer admissions requirements.
