## PROGRAM FACT SHEET EARLY CHILDHOOD EDUCATION/ CHILD CARE PROFESSIONAL CERTIFICATE (C55220C3)

This certificate will provide individuals interested in childcare programs or with children ranging in age from birth to eight years a strong foundation of knowledge. Emphasis will be placed on:

program development for children birth to eight years; positive guidance techniques; health, safety and nutrition; and effective communication with parents, children, and the community. This certificate also provides an opportunity for the individual to obtain the North Carolina Early Childhood Credential Certificate.

The Early Childhood Associate curriculum prepares individuals to work with children from infancy through middle childhood in diverse learning environments. Students will combine learned theories with practice in actual settings with young children under the supervision of qualified teachers.

Course work includes child growth and development; physical/nutritional needs to children; care and guidance of children; and communications skills with parents and children. Students will foster the cognitive/ language, physical/motor, social/emotional, and creative development of young children.

Graduates are prepared to plan and implement developmentally appropriate programs in early childhood settings. Employment opportunities include child development and child care programs, preschools, public and private schools, recreational centers, Head Start Programs, and school-age programs.
