PROGRAM FACT SHEET EARLY CHILDHOOD EDUCATION/ CHILD CARE DEVELOPMENT CERTIFICATE (C55220C2)

This certificate will provide a background in developmentally appropriate practices for children ages birth through eight years. Emphasis will be placed on age and individual appropriate program planning. Courses in

this certificate will also focus on positive guidance techniques and effective communication with parents, children, and the community. This certificate also provides an opportunity for the individual to obtain the North Carolina Early Childhood Credential Certificate.

The Early Childhood Associate curriculum prepares individuals to work with children from infancy through middle childhood in diverse learning environments. Students will combine learned theories with practice in actual settings with young children under the supervision of qualified teachers.

Course work includes child growth and development; physical/nutritional needs to children; care and guidance of children; and communications skills with parents and children. Students will foster the cognitive/ language, physical/motor, social/emotional, and creative development of young children.

Graduates are prepared to plan and implement developmentally appropriate programs in early childhood settings. Employment opportunities include child development and child care programs, preschools, public and private schools, recreational centers, Head Start Programs, and school-age programs.
