PROGRAM FACT SHEET EARLY CHILDHOOD EDUCATION/ B-K LICENSURE TRANSFER (A55220B)

The Early Childhood Associate curriculum prepares individuals to work with children from infancy through middle childhood in diverse learning environments. Students will combine learned theories with practice

in actual settings with young children under the supervision of qualified teachers.

Course work includes child growth and development; physical/nutritional needs to children; care and guidance of children; and communications skills with parents and children. Students will foster the cognitive/language, physical/motor, social/emotional, and creative development of young children.

Graduates are prepared to plan and implement developmentally appropriate programs in early childhood settings. Employment opportunities include child development and

child care programs, preschools, public and private schools, recreational centers, Head Start Programs, and school-age programs.
