PROGRAM FACT SHEET ENTREPRENEURSHIP (A25490)

The Entrepreneurship curriculum is designed to provide students with the knowledge and the skills necessary for employment and growth as self-employed business owners. Entrepreneurship and small businesses are the core of the US economy. They provide new employment opportunities and stimulate economic growth.

Course work includes developing a student's ability to make informed decisions as future business owners. Courses include entrepreneurial concepts learned in innovation and creativity, business funding, and marketing. Additional course work includes leadership, law, computers, customer service, and economics.

Through these skills, students will have a sound education base in entrepreneurship for lifelong learning. Graduates are prepared to be self-employed and open their own businesses.
