PROGRAM FACT SHEET GUNSMITHING (A30200)

The Gunsmithing program is designed to provide students with the required skills needed to refurbish metal and wood as applicable to firearms, to diagnose malfunctions for repair, and to accomplish complex custom gunsmithing tasks.

Coursework includes manufacturing of tools used in the gunsmithing trade, restoration of firearms, barrel work, repair work and custom work. The students will accomplish this work by performing actual gunsmithing tasks in a hands-on environment.

Graduates should qualify as a professional gunsmith, able to complete any task in general gunsmithing.

Persons wishing to enroll in the Gunsmithing program or any Gunsmithing course must provide acceptable proof of their legal authorization to possess a firearm at the time of enrollment but no later than the first day of the program or course.
