

## Mount Hope, WV

# Masonry Specialist

- \$20.00 - \$35.00 an hour
- Full-time

### **Full job description:**

### **About Us:**

Carbon Activated Corp is a leading global company specializing in the manufacturing and supply of activated carbon and related services. We are dedicated to providing solutions to a variety of industries, including water treatment, air purification, and industrial processes. Our team is committed to excellence, quality, and customer satisfaction.

### **Job Description:**

Carbon Activated Corp is seeking a skilled and experienced Masonry Specialist to join our team. The ideal candidate will have expertise in masonry and brickwork, particularly in constructing and maintaining structures. This role requires a strong attention to detail, a commitment to quality, and the ability to work independently or as part of a team.

### **Key Responsibilities:**

- Perform masonry and brickwork on various structures, ensuring precision and adherence to design specifications.
- Construct, repair, and maintain walls, floors, foundations, and other structural elements using bricks, stones, concrete blocks, and other materials.
- Mix and apply mortar, grout, and other bonding agents to secure bricks and stones.
- Cut and shape materials to fit specific measurements and design requirements.
- Inspect and assess existing structures to identify and address any damage or wear.
- Read and interpret blueprints, drawings, and construction plans.
- Collaborate with other construction and engineering professionals to ensure seamless project execution.
- Adhere to safety protocols and regulations to maintain a safe work environment.
- Maintain tools and equipment in good working condition.
- Provide input and recommendations for improving construction techniques and materials.

### **Qualifications:**

- Proven experience as a mason or bricklayer, with a strong portfolio of completed projects.
- Proficiency in using masonry tools and equipment.
- Excellent knowledge of construction materials, techniques, and building codes.
- Ability to read and interpret technical drawings and blueprints.

- Strong problem-solving skills and attention to detail.
- Physical stamina and the ability to perform manual labor for extended periods.
- Good communication skills and the ability to work effectively in a team environment.

**Benefits:**

- Competitive salary and benefits package.
- Opportunities for professional growth and development.
- A supportive and collaborative work environment.
- Health, dental, and vision insurance.
- 401(k) retirement plan with company match.
- Paid time off and holidays.
- 401(k)
- Dental insurance
- Health insurance
- Paid time off

**Schedule:**

- 8- hour shift
- Monday to Friday
- Overtime

**Ability to Commute:**

- Mount Hope, WV 25880 (Required)
