Join our Fresenius Medical Care Team! MA, LPN, RN

As an entry-level RN with Fresenius Medical Care, you will make a difference in patient's lives every day. Our Nurse Resident position offers incredible opportunities to combine your classroom knowledge with hands-on job training.

At Fresenius Medical Care, the work you do will improve the quality of life for people living with chronic kidney disease and end stage kidney disease.

Just as you help care for patients, we will help care for you and your career.

Benefits of joining Fresenius Medical Care

- Clinical Advancement Program for career growth
- Health Benefits & PTO Accrual after 30 days
- Flexible Schedule
- Tuition Reimbursement

As a new nurse, you will also enjoy:

- A monthly check-in with a nurse mentor for 1 year
- Additional virtual learning from education to support your training
- Outpatient Setting: No On-Call, No Sundays, No Overnights or major holidays!
