

# Multimedia & Productions Internship

Producer. Detail-oriented.

Are you a creative problem-solver with strong technical and interpersonal communication skills who is looking to gain valuable work experience in the field of video production and marketing? Are you a hard-working and dedicated college junior, senior, or recent graduate with the ability to show initiative, multi-task, prioritize, and meet deadlines?

This internship will give you the opportunity to build your resume and portfolio with independently led projects. From video production to stage management, Fayetteville Community Church is searching for a team of interns that can make a huge impact for the church and their future career.

## **Responsibilities:**

Fayetteville Community Church seeks a Video Production Intern to join our team for a dynamic internship opportunity. We're looking for up-and-coming videographers who want to gain real world experience working on media projects that support corporate marketing objectives.

We are looking for interns that can work together in an extremely hands-on environment.

It's an exciting time to join the Fayetteville Community Church team as we enter our 50th year, we are hoping to make new and improved changes to our church.

## **You'll make an impact by:**

- Assisting the Marketing Specialist in the creation and production of media content for the purposes of brand awareness and marketing
  - Completing post-production work including: assembling raw footage, research and assist in script-writing, video cutting and editing, music selection, delivery of rough and final products
  - Consulting with the Pastor, director, and other team members throughout the post-production process
- Experimenting with styles and techniques, including the design of graphic elements, and the editing of sound and light, to ensure a high-quality viewing experience using video editing equipment

## **Qualifications About you:**

- Background in film, video, theater, design, or related field
- Previous experience with film editing, and familiarity using Adobe Premiere Pro, After Effects, and Audition software
  - Exceptional audio-editing skills
- Attention to detail and a willingness to work in a team environment
  - MUST BE A SELF STARTER!

## **Eligibility requirements for internships:**

- Fall and spring internships require working 16-20 hours per week; summer internships require working 40 hours per week

- You must be at least 18 years of age, enrolled in an undergraduate program entering your junior or senior year, enrolled in a graduate program, or a recent graduate (no more than 6 months upon graduation)
- This is a non-paid internship. We currently do not provide housing, relocation, or transportation reimbursement
  - Interns can use this internship for school credit.
