

## **Seeking Carpenter's in the construction industry that exhibit Riley Contracting Group's Core Values:**

- **Entrepreneurial:** Takes ownership of their project; understands that what they do matters, we are not a huge company, every job matters! Creative problem solvers.
- **Dedicated:** To self-progress, to your family/community, to safety, to our team and to the company. If we take care of the company, the company takes care of us. Dedicated to finishing the job on time.
- **Trustworthy:** You do what you say you are going to do when you say you are going to do it. You aren't afraid to say when you don't know the answer. Can be trusted with the project.
- **Belief in Self:** Once trained on something you can do it. You don't have to be told what to do and you don't want to be micromanaged.

### **Duties and Responsibilities:**

- Support Project Superintendents:
- Complete Project in line with Schedule
- Complete Project Safely
- Ensure Project is completed in line with Expectations
- Ensure Client is Satisfied with Project
- Other duties as assigned by Superintendents.
- All other tasks that may be assigned from time to time

### **Requirements:**

- Willing to commute to projects
- Team oriented approach and willing to collaborate with Project Managers, Clients, Architects, Engineers, Sub contractors and other project professionals.
- Relevant experience a plus
- Knowledgeable in Procore a plus

### **This isn't a job, this is a Career. Come build potential with us!**

- We believe that this individual will learn on the job and grow into one of our Superintendents who have overall responsibility for successful client experience by delivering high quality construction projects on time while being fiscally responsible.
- We have grown 5 carpenters into superintendents starting with us and learning the basics. huge potential for growth, work with your hands, no office work! The projects assigned will give the Individual access to a variety of and some unusual assignments.
- There is great potential for the Individual to see the big picture, suggest solutions to issues that arise and then to see the results and accomplishments of their recommended course of action.
