A family-owned and -operated company for 50+ years, Sanford Contractors delivers high-quality construction services. We have five operating divisions: bridge construction, commercial building, site development, support services, and utility construction.

At Sanford Contractors, we foster the personal and professional growth of all team members. As an Equal Employment Opportunity Employer, we recognize the value of diversity in our workplace.

We invest in our employees, and promote from within, based on a team member's job performance, as well as his or her commitment to partner satisfaction and company success.

"I'm grateful for the opportunity to grow my skills from a laborer to a project manager over the last 51 years."

Mike Goldberg
Project Manager
51 years at SCI

"I appreciate the company culture - it's helped me grow as a skilled technician and a team leader."

Sergio Salgado
Equipment Service Manager
15 years at SCI
