

Fayetteville

Carpenter Apprentice

- \$15.00 - \$18.00 an hour
- Full-time

Job Description:

- We are seeking a motivated and dedicated Carpenter Apprentice to join our skilled team. This entry-level position is ideal for individuals eager to learn the trade of carpentry while gaining hands-on experience in various construction tasks. As a Carpenter Apprentice, you will work under the guidance of experienced carpenters, assisting in the completion of projects that may include residential and commercial construction.

Duties:

- Assist in the installation of doors, windows, and fixtures, ensuring proper fit and function.
- Participate in trim carpentry tasks, including baseboards, crown molding, and other decorative elements.
- Engage in frame carpentry activities, constructing walls, roofs, and other structural components.
- Help with maintenance person tasks as needed, providing support for minor repairs and maintenance.
- Follow instructions from lead carpenters to ensure quality workmanship and adherence to project timelines.
- Maintain a clean and organized work environment to promote safety and efficiency.

Experience

- No prior experience is required; however, any background in carpentry or construction is a plus.
- Familiarity with tools and equipment commonly used in carpentry is beneficial.
- A willingness to learn new skills related to mold remediation, door hanging, installation techniques, trim carpentry, roofing, fixture installation, frame carpentry, and general maintenance person tasks will be advantageous.
- Strong attention to detail and a commitment to producing high-quality work are essential for success in this role.

Join our team as a Carpenter Apprentice and take the first step towards a rewarding career in carpentry!
