#### Why St. Joseph of the Pines?

We're not just a senior living community; we're a vibrant, caring family dedicated to enriching the lives of our cherished residents. Nestled in the breathtaking Sandhills of North Carolina, our Health Center is a place where heroes like you make life brighter for our beloved elders.

#### Your Mission:

As a Certified Nursing Assistant (CNA), you'll be the ray of sunshine our residents need. Your duties will revolve around providing compassionate care, ensuring their comfort, and brightening their days.

#### What You'll Do:

- Be the friendly face that assists with dental care, feeding, bathing, and more.
- Use your super strength to lift, turn, and transport residents with ease.
- Perform restorative and rehabilitative procedures to help residents thrive.
- Keep an eagle eye on Range of Motion Exercises and record data.
- Be at the ready to answer resident calls promptly.
- Champion safety precautions like a pro, ensuring everyone's well-being.
- Maintain confidentiality and provide care with privacy and dignity.
- Accurately document in Care Tracker, showcasing your attention to detail.
- Attend training sessions and in-service training to level up your skills.
- Be a vigilant guardian against occupational exposures, following protocols to the letter.

#### What We're Looking For:

- Certified CNAs and Certified Med Techs – we need your skills and heart.
- A passion for making a difference in the lives of our senior residents.
