

Fayetteville

General Laborer

- \$12.00 - \$20.00 an hour
- Full-time

Full Job Description:

About Us:

Stanley Steemer is a small family-owned business in Fayetteville, NC. Stanley Steemer is family friendly, and we are looking for carpet technicians to add to our team. We are professional, agile and fast-paced with great growth potential. We value compassion and great customer service skills.

We are looking for individuals that possess the following qualities: flexibility, ability to work as a team, driven to succeed, hard -working, attention to detail, good organization skills, self-motivated and ability to work independently when necessary.

Our work environment includes:

- On-the-job training
- Safe work environment

Additionally, we are currently hiring individuals who have a strong knowledge of carpets and flooring to support our team as carpet technicians. The ideal candidates will be experienced in sales, be able to work with minimal supervision, and have solid people skills. We are looking for positive, dedicated individuals who can work well in a team environment and has a genuine interest in customer satisfaction.

Carpet Technicians must be at least 21 years of age and have a valid driver license. All potential candidates will be drug tested, in addition to a motor vehicle record check and a background criminal check.

We offer weekly pay, and full benefits for all positions. Stanley Steemer is a great place to work and we would love to have you on our team!
