438019BR Relocation Guide & 3D Estimator

Fully remote, open to CONUS

Hiring for Night and Weekend Shifts

As a Relocation Guide/3D Estimator, you will greet customers on a live video chat, lead them on a walkthrough of their residence, and provide compassionate advice as they make important decisions about their approaching relocation. This is your chance to bring your customer service skills and an ultramodern experience to help them jump start their PCS!

- \$15 per hour, 1099
- PT and FT schedules are available, flexible schedule options
- Current need is for nights & weekends (3p-11p EST, & all weekend shifts)
- Hours may increase during peak PCS season
- Open to CONUS
- Role will assist primarily during PCS moves. Customer service and communication skills are essential with this customer focused role.
