

1C3 Digital Media Certification Professional Development

Who: FTCC Faculty Professional Development

What: **1C3 Digital Media Certification Professional Development**

Facilitator: *Torie Quismundo, Digital Media Instructor*

This new Professional Development offering is for FTCC Employees ONLY! Participants will need to have enrollment to FTCC as a student and fill out a Tuition Free Course Form. This class, listed on the schedule for Fall 2021 as DME 110 *0918, will allow FTCC employees to earn certification in 3 levels of Digital Media Certification. Participants earn class credits as well as Certification. Certification tests are face to face but the class is online. Participants can **register for this class through a Dean Only** as it needs an override to enter. This prevents our “regular” student population from registering.

Tasks learned/tested in this class related to digital media: Software Licenses, File Management, Printing Properties, Hardware Components, Source Files, Online Application Software like Google, Personally Identifying Information, Proofing, Cyberbullying, Networks, Security, Private Browsing, Collaborative Software, Passwords and MUCH MORE!

When: **Fall Semester**

Where: **Class – Online; Certification tests – face-to-face**
