

# ***Bloodborne Pathogens***

Who: FTCC Faculty Professional Development

What: ***Bloodborne Pathogens***

*Facilitator: Damita Reed, OSHA Coordinator*

In this course you will learn the proper means of preventing the spreading of bloodborne pathogens. Topics include what is expected of employers & employees that have been identified as having occupational exposure to blood borne pathogens and the Exposure Plan for FTCC in the event an incident occurs.

Each module counts as .2 PD credits. Completion of all 5 modules will count for one (1) hour of PD credit.

When: **Ongoing**

Where: [Bloodborne Pathogens Training](#)
