

Public Safety and Security Training - (Required every 3 yrs)

Who: FTCC Faculty Professional Development

What: ***Public Safety and Security Training - (Required every 3 yrs)***

Facilitator: Captain Jonathan Fennema, Assistant Director for Public Safety and Security

Personal safety of students, employees and visitors to the College remains a top priority. The Public Safety and Security Office created this self-paced Blackboard professional development course, which is designed to help you understand and prepare for the decisions you may need to make during an emergency. New employees are required to complete this course during their 90-day probationary period. Completion will count for one (1) hour of PD credit.
