SUMMERSCAPES

**2021
YOUTH
SUMMER
PROGRAM**

**Classes begin the week of June 7th
& run through the week of August 2nd.**

**PRE-REGISTRATION IS
REQUIRED FOR ALL CLASSES!**

SUMMERSCAPES

We are so excited to offer Summerscapes classes in 2021! Most of our classes are scheduled to occur face-to-face, with appropriate safety measures in place. Some classes will offer virtual sections this year.

Due to the uncertainty caused by the COVID-19 pandemic, we encourage you to refer to our website for the most up-to-date information: <https://tinyurl.com/9bzf5tkw>. We will also use email communication to share important information and updates with you. Please ensure that you provide a valid parent/guardian email address on your registration form.

REGISTRATION: PRE-REGISTRATION IS REQUIRED FOR ALL CLASSES.

You may register your child at the Records and Registration Office in the Neill Currie Continuing Education Building at 218 Hull Road. Typical registration hours are Monday-Friday, 8:00 am–4:45 pm. **Note:** Summerscapes registration closes at 12:00 noon on Fridays for classes beginning the following week.

COVID-19 PRECAUTIONS:

We will align our health and safety practices with any/all COVID-19 precautions in place at FTCC during the summer. A detailed description of requirements and expectations – including drop-off and pick-up procedures – will be available on our website and emailed to parents/guardians no later than May 10, 2021.

LOCATIONS:

Classes are held at various on and off-campus locations to include the Corporate & Continuing Education Center (CEC), Horace Sisk (HOS), Advanced Technology Center (ATC), the Horticulture Education Center (HEC), and the Hope Mills Recreation Center (HMRC).

SUPPLIES:

Please note that students may be required to bring certain supplies with them to class. These additional fees will be kept as low as possible. Please anticipate spending approximately \$5-\$50 on supplies, depending on the subject matter. Supply lists will be emailed to parents/guardians no later than 3 weeks prior to the start date of each class. Again, please make sure you provide a valid email address at registration.

QUESTIONS? Our office is ready to assist you! Call 910-678-8309 or email summerscapes@faytechcc.edu for more information.

This is a list of Summerscapes classes running from June-August. Classes may be added to the schedule as needed. The Community College can offer these self-supporting courses only during the summer, so please take advantage of these enjoyable, inexpensive learning opportunities for your child.

Due to the impact of COVID-19, some classes may change from a traditional, face-to-face setting to a hybrid or online setting. If the course format changes, an announcement will be posted on the website, and an email will be sent to the parent/guardian address on file for all registered students no later than one week in advance.

ACADEMICS

COLLEGE ADMISSIONS (RISING 9TH-12TH GRADERS) – NEW!

Does the phrase “college applications” immediately send you into panic mode? Have no fear! This introductory seminar is here to give you an overview of what to expect throughout the admissions process. You will receive tips on how to make your application stand out, and you will explore options for scholarships and financial aid. This class is appropriate for all rising high school students with an interest in attending any four-year college or university, including those who will be first-generation college students.

NOTE: Parents and guardians are not permitted to attend class with their students. Students will have a 1-hour lunch break during the Saturday sections. Each virtual class meeting will include a 30-minute screen break.

COLLEGE ESSAY BOOTCAMP (RISING 9TH-12TH GRADERS)

This course will give you the tools you need to write a memorable college essay! College essays are not the same as school essays; this class will teach you the difference and help you to become more confident in your writing. This class will give you a head start on all of those college applications and requirements. You will understand the application process, write essays for practice, and learn good habits for writing. If you are planning to apply to college, this is a can’t miss class!

NOTE: Each virtual class meeting will include a 30-minute screen break.
