

Nurse Aide Level II Course Requirements

Student must have an **active, unencumbered Nurse Aide I certification** on the NC Nurse Aide registry.

Students must attend the **1st day of class**. Students will be dropped from the program if they fail to attend by the **2nd day of class**.

- **Tuition Fee:** \$180
- **Malpractice Insurance Fee:** \$15.50 (price subject to change without notice) which is due at the time of registration. Malpractice insurance is not available through online registration; therefore, students must come to the cashier's office in the Neill Currie building, 218 Hull Road to purchase the \$15.50 (price subject to change without notice) malpractice insurance.
- **Additional Fees: (Pricing (ESTIMATED & VARIES) based on facility performing testing)**
 - **Background check:** \$8-\$25 at your local sheriff's department.
 - **Drug Screen:** \$35-\$45 @ **KV Consultants** located at 803 Stamper Rd., Suite G, Fayetteville, NC 28303 (910) 223-7114
 - **Drug Screen: (Fastest Labs):** 804 Stamper Rd., Unit 101, Fayetteville, NC 28303 (910) 229-2144.
 - **DO NOT** obtain background check and/or drug screen before the first day of class. The instructor will instruct you when to do these.
 - **Clinical Rotation Fee:** \$36.99 (price subject to change without notice) - Required by Cape Fear Valley Medical Center for submission of required clinical documents. Instructor will notify students when this is to be done.
 - **NOTE:** Student will not be allowed to attend clinical without a background check and drug screen. Cape Fear Valley Medical Center can prohibit any student from attending clinical if student's background check/drug screen results do not comply with their policies and/or standards.
- **Scrubs:** Black bottom and Caribbean Blue top (available at Castle Uniforms)
- **Shoes:** Black leather/leather type shoes with closed toes & heels, **NO** mesh or holes and plain black socks.
- **Uniforms:** Students must wear their complete uniform (scrubs & shoes) beginning the 1st day of class and each day thereafter for the program's duration.
- **Photocopies:** Students must provide a photocopy of the following documents to their instructor on the 1st day of class. **Failure to provide the following required documents on the 1st day of class will result in counseling. Failure to provide required documents by the 3rd day of class will result in the student being dropped from the class.**
 - Malpractice insurance receipt
 - High school Diploma/GED/Transcript: **International diploma/transcripts** must be transcribed by/through a **National Credentialing Service**.
 - Active/unencumbered NC Nurse Aide I certification (required at time of registration)
 - CPR card (**American Heart Association's Healthcare Provider only – no exceptions**) offered at FTCC \$45/5 hour class. Card cannot expire during class dates. (Required by the end of the **1st week of class**).
 - Immunization record with required: **MMR, Varicella, Hep B, and Tdap**
 - Flu vaccine required during active flu season (**September-May**)
 - PPD/Skin test or a QuantiFERON blood draw with negative results. For positive results: a negative chest Xray indicating no "active" TB disease is required. PPD cannot expire at any point during the program.

Upon successful course completion, the student can be listed on the NC Board of Nursing NA II Registry at an additional fee of \$24.

Students must pass a background check and drug screening prior to attending clinical. In conjunction with the background check and drug screening, students will not attend clinical without an active AHA CPR, negative PPD results and/or chest Xray, and required immunizations to include the flu vaccine.

Questions or concerns contact us at healthprograms@faytechcc.edu or 910-486-3923 or 910-486-7412.

ISBN: 9781133440079

FTCC Bookstore: Approx. \$105 plus tax (pricing is subject to change without notice, please verify with resource for accuracy)

Nurse Aide II COURSE REQUIREMENTS

1. You must be able to read, understand and communicate effectively in English to participate in this class. Students will be required to care for clients in lab and clinical settings; therefore, must be capable of lifting, transferring and positioning patients with no weight limitations using both hands to perform tasks, reacting to emergencies, walking fast; this is not an exhaustive list. Reasonable accommodations assigned for the theory section of the course do not necessarily transfer to lab and clinical. A separate designation must be established for each part of the course. Accommodations deemed to threaten client safety are not considered reasonable and will not be granted. If you have a medical condition (including pregnancy), you need a note from your physician stating you have NO RESTRICTIONS in the class, lab, and/or clinical to continue with the program.
2. Any student wishing to request academic accommodation due to a disability must make their request to the Office of Disability Support Services. Disability Support Services: Casey Groover, 910-678-8479.
3. **Please note clinical facilities require background check and drug screen. The cost is the student's responsibility.** Adverse findings in the background check and drug screen will prohibit the student from attending clinical, resulting in being dismissed from the program without a refund. **DO NOT** obtain prior to starting the class! The instructor will inform you if the clinic you will attend requires this.
4. Artificial nails and/or long natural nails are not allowed and must be removed before the first day of lab. Tattoos are required to be covered during clinical. Long hair pulled back and/or put up.
5. **REQUIRED SUPPLIES: (Required by start of the 1st week of class)**
 - a. A watch with a second hand (non-digital)
 - b. Blood pressure cuff with storage bag (non-digital)
 - c. Stethoscope
 - d. Small pocket-size note pad
 - e. Gait belt
 - f. Bandage scissors
6. **Copy of current immunization record with all necessary shots:** Some vaccinations can take about 30 days or more to process/receive results; therefore, it is important not to wait to complete this requirement. Failure to comply with this requirement will result in dismissal from the program.
7. **Personal Characteristics:** Must be able to remain calm and in control during stressful and emergency situations. Must maintain good interpersonal skills with peers and accept appropriate criticism. Must be able to organize and prioritize workload in line with established guidelines. Must display respect, honesty, and integrity in the classroom, the clinical area and with all members of the Healthcare Team.
8. **Physical Characteristics and Work Conditions:** May be exposed to communicable diseases (HIV, Hepatitis, etc.). May be exposed to unpleasant sights, odors, and materials. May be exposed to bodily fluids, chemicals and disinfectants. Must be able to stand for long periods of time (4 or more hours) without relief. Must be able to lift heavy equipment/objects up to 50 pounds and be able to transfer patients independently if necessary. Must practice good body mechanics in all physical activities when in the lab and clinical area. Required to assist with lifting and positioning patients. Must be able to walk, run and move quickly in a safe manner to provide support during emergency situations. Must be able to hear normal conversation within a range up to 20 feet. Must be able to use both hands in passing instruments to the surgeon in a timely and accurate manner. Must be able to use both hands to assemble supplies and equipment and to reposition patients. Regularity of breaks and lunchtime are not guaranteed. Must be free from communicable disease (TB, Hepatitis, HIV, etc.) Must be able to report for clinical rotations on time.
9. **REFUND POLICY:** If you withdraw prior to the **1st day of class** you may be eligible for a 100% refund. If you withdraw on or after the **1st day of class**, you may be eligible for a 75% refund of the registration fee if requested prior to the 10% date. After the 10% date there are no refunds given. Once the class begins, the insurance fee is non-refundable. It is the **student's responsibility** to request a refund if you drop a class or are withdrawn. You must come to the Neill Currie building, room 8, to complete the drop form. NOTE: Your refund will take 2-3 weeks to be processed.
