Pricing and requirements are subject to change without notice

## Phlebotomy Requirements

### **CLINICAL HOURS MAY VARY FOR EVENING & HYBRID COURSES & ARE LIMITED**

- Textbook:** *The Phlebotomy Worktext and Procedures Manual, 6<sup>th</sup> Edition* will be required for Spring 2026 classes.
- by Robin S. Warekois & Richard Robinson. ISBN: 9780323936101 **(Required by the 2<sup>nd</sup> day of class).**
- Option: bigwords.com, or order online: chegg.com. Or to place an order email FTCC Bookstore: [bookstore@faytechcc.edu](mailto:bookstore@faytechcc.edu) or eBook (\$84.52), price-range: **(\$100.00 - \$120.00)**. **pricing varies without notice, please verify with resource for accuracy.**

**Photocopies of the following documents submitted to Instructor on the 1<sup>st</sup> day of class: (if not received by the 1<sup>st</sup> day, will result in a written counseling):**

- \$16.00 Pricing is subject to change Malpractice Insurance receipt from students who registered online and in-person registration
- o Picture ID – **GOVERNMENT ISSUED**
- o **CPR card (American Heart Association's Healthcare Provider) offered at FTCC \$70-5-hour-class. Price is subject to change without notice** Card cannot expire during class dates. **(Required by end of 1<sup>st</sup> week of class)**
- o **Copy of current immunization record with all necessary vaccinations. MMR, Varicella, PPD, Hep B, Tdap, Flu shot will be required No Later Than the 3<sup>rd</sup> week if all not received, student will be withdrawn from the course. COVID vaccine MAY be required for some clinical sites** Some vaccinations take 30 days or more to process the results, so it is important not to wait to complete this requirement.

**Non-compliance with ANY deadline listed above can result in dismissal from the program.** You must comply with the policy regarding immunizations.

This course prepares the student to draw blood specimens from patients, using needles, to test and analyze blood. Upon successful completion of this program, the student should be prepared to take the National Certification Examination at an additional fee. **Please be aware that sticking your classmates is required during lab sessions.**

Please note that some clinical facilities require a criminal background check, drug screen prior and certain vaccinations to attending clinical rotation. If a student cannot meet the criminal background check, pass drug screen requirements and have vaccinations needed, (s)he will not be able to complete the program and will be dismissed from the course **WITHOUT** a refund.

1. You must be able to read, understand and communicate effectively in English to participate in this class. If you have a medical condition (including pregnancy), you need a note from your physician stating you have **NO RESTRICTIONS** in the class, lab, and/or clinical to continue with the program.

**Any student wishing to request academic accommodation due to a disability must make their request to the Office of Disability Support Services. Disability Support Services: Casey Groover, 910-678-8479.**

2. Hair is to be clean, neatly styled, and of length so as not to interfere with the normal workday activities. Extreme trends such as shaved designs, Mohawks, and long spiked hair, etc., are not acceptable. Hair cannot be of "rainbow" or "neon" colors (examples: blue, pink, green, purple, etc.). Excessive ornaments are not allowed. Male students are to be clean-shaven or with neatly trimmed beards or mustaches. Facial hair that interferes with the wearing of a protective mask is not permitted.
3. Tattoos, brands, symbols, or markings visible on the face or neck must be covered. Moreover, visible tattoos that are considered by management to be inappropriate, indecent, offensive, or unprofessional must be covered, irrespective of the location on the body.

Questions or concerns contact us at [healthprograms@faytechcc.edu](mailto:healthprograms@faytechcc.edu) or Secretary II 910-486-3923 or Dean of Health Programs 910-678-1084 *Revised 09/17/2025* Pricing and requirements are subject to change without notice

## **Phlebotomy Requirements**

4. Nails are to be no longer than the tip of finger. **Nail polish is not permitted in class, lab, or clinical. Additionally, artificial nails of any kind (even overlays on real nails) are not allowed.**
5. Cosmetics should be applied lightly. Body powders and cosmetics should be used sparingly. Perfume and scented lotions aren't allowed in class/lab/clinical.
6. Piercing may only be worn in the ears and one set is allowed. This should be studs earrings only. No loop or long dangled earrings allowed. This includes bar style earrings. NO rings/ornaments are to be worn in the nose, eyebrows, tongue, or other visible areas of the body.

**REFUND POLICY:** If you drop prior to the **1<sup>st</sup> day of class** you may be eligible for a 100% refund. If you drop on or after the **1<sup>st</sup> day of class**, you may be eligible for a 75% refund of the registration fee if requested prior to the 10% date. **After the 10% date there are no refunds given.** *Once the class begins, the insurance fee is non-refundable.* It is **your responsibility** to request a refund. A drop/refund or drop/add requests are to be sent electronically to: [healthprograms@faytechcc.edu](mailto:healthprograms@faytechcc.edu). NOTE: Your refund will take 2-3 weeks to be processed.

I understand each requirement must be fulfilled in order to continue in the Phlebotomy programs. No exceptions made to these requirements. I am aware if I fail to meet the requirements, I will be dismissed from the program.
