

### **What is an adjustment to EFC?**

- If you or your family's financial situation has changed significantly from what is reflected on your federal income tax return (for example, if you've lost a job or otherwise experienced a significant loss in income), you may be eligible to have your financial aid adjusted. Please make sure you have completed a Free Application for Federal Student Aid (FAFSA) form, then contact the Financial Aid Office to discuss how your current financial situation has changed. **Please Note:** the school's decision is final and cannot be appealed to the U.S. Department of Education.

### **Reasons for submitting an Adjustment to EFC:**

- Loss of Employment/Income
- Divorce or Separation
- Retirement
- Death of Parent/Spouse
- Elementary/Secondary Tuition
- Medical Expenses

### **Criteria for Adjustment to EFC:**

- Complete a 21/22 FAFSA application at [studentaid.gov](http://studentaid.gov).
- Once your FAFSA is processed and awarded, then log in to financial aid e-forms to complete the 21/22 Adjustment to Family Income/EFC.
- Please remember you must provide all required documentation for your adjustment to be processed.
- Adjustments to EFC are reviewed in the order in which they are received.
- Students will be notified by email or letter once a decision has been made on your adjustment to EFC request.
