## Basic Skills Education Program

BSEP is the commanders' primary on-duty education program. The goals of BSEP:

- Promote retention
- Increase re-enlistment options
- Improve job performance

Because BSEP is a refresher course in both math and English, many soldiers take it to help them raise their GT score when taking the Armed Forces Classification Test (AFCT).

BSEP is a teacher-facilitated program with computer programs for learning enhancement.

**To Enroll (no earlier than 2 months prior to class start date):**

1. Get a BSEP enrollment form and sample DA Form 4187 from the Education Center, J Wing.
2. Schedule the TABE (placement test) and take it prior to the first day of class. We also give the TABE on the first day of the class for those unable to schedule it earlier.
3. Have your commander sign both forms.
4. Bring your signed enrollment form and DA 4187 to us as soon as possible (before the class starts) to hold your slot. You **must** attend the first day of class. No one will be accepted into the class after the first day of the cycle. We will try to accommodate walk-ins. **Please call us at 910-396-2351/6982** if you have any questions.

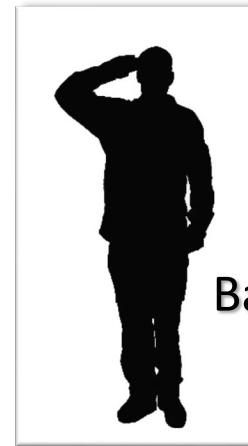

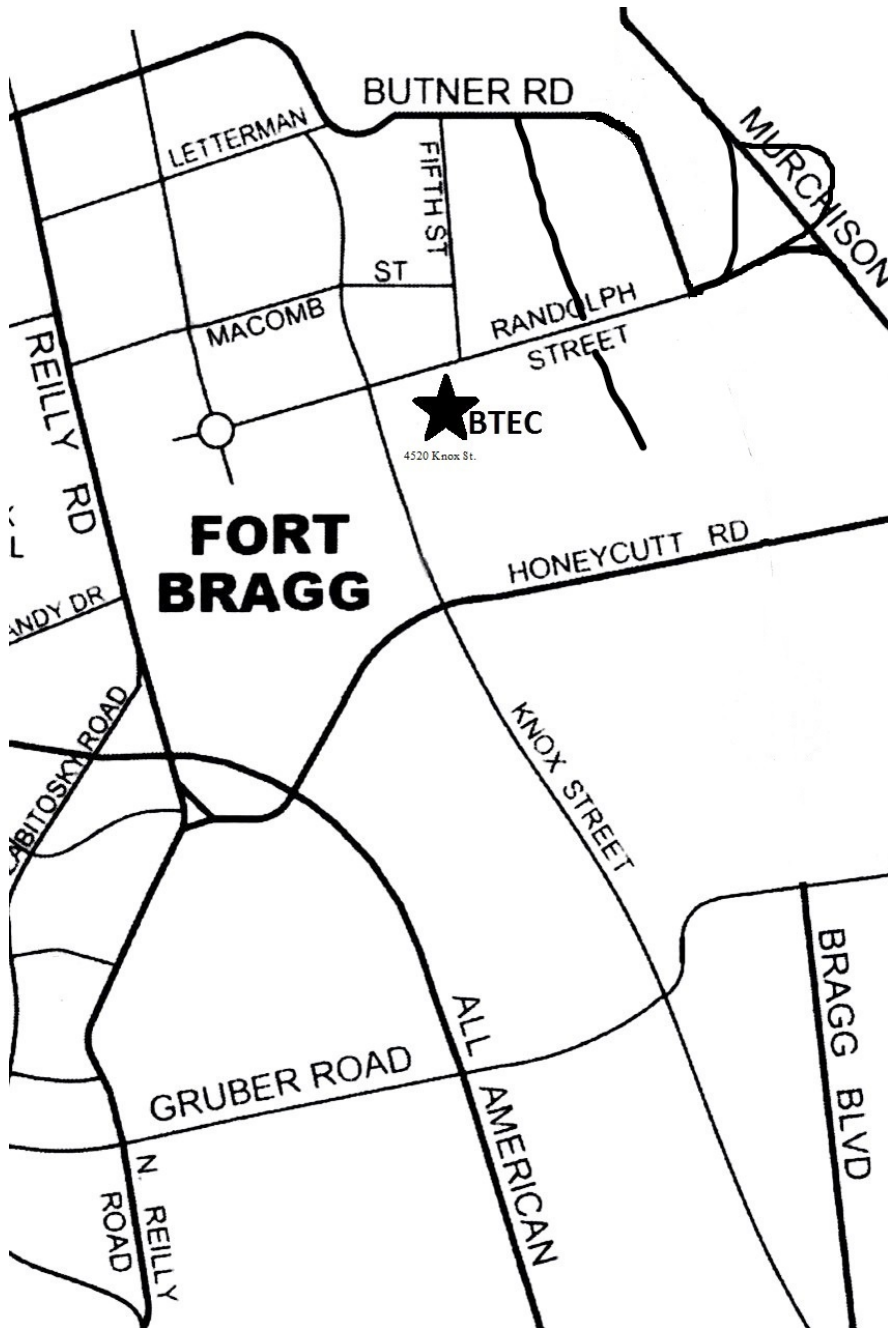

- Morning class report at 0730
- Afternoon and evening class report at 1230
