Conferring of Degrees and Diplomas.....Dr. Keen

***Benediction**.....Rev. Barringer

***Recessional**

**Audience stands. As graduates exit the auditorium, guests are asked to please remain seated.*

All American Interpreters for the Deaf

Keynote Speaker

***North Carolina Senator Wesley A. Meredith
Majority Whip (2017-2018 Session)
District 19, Cumberland County
North Carolina General Assembly***

State Senator Wesley Alan Meredith first arrived in Fayetteville, North Carolina, as a member of the U.S. Army's 82nd Airborne Division. Following his honorable discharge and for the past thirty years, Senator Meredith has made a significant impact in the Fayetteville and Raleigh areas.

He established his own successful company (Cardinal Landscaping), served three terms on the Fayetteville City Council, and served as a former Mayor Pro Tem. In November of 2010, the citizens of North Carolina elected Wesley Meredith to the North Carolina Senate, where he served the 19th District in Cumberland County and represented most of Fayetteville and nine other townships. Re-elected in 2016, Senator Meredith currently is serving his fourth term. He co-chairs the Commerce/Insurance Senate Committee and the Appropriations for the Department of Transportation Senate Committee. Senator Meredith's fellow members elected him as Majority Whip, and he chairs the Cumberland County Delegation. His successes from his first three terms, coupled with his increased authority and leadership status, have positioned Senator Meredith as being among the most productive and ambitious members of the North Carolina General Assembly.

On May 15, 2017, Fayetteville Technical Community College renamed the Horticulture Educational Center (located at 670 North Eastern Boulevard in Fayetteville) as the Wesley A. Meredith Horticulture Educational Center. In a press release issued by the College, President Dr. Larry Keen expressed his sentiments regarding the life and leadership of Wesley Meredith: "Wesley Meredith's course of life underscores the relevance of community colleges in North Carolina. Wesley graduated from Fayetteville Tech, spent time honorably serving his country through the US Army, and later established his own small business. The tenacity and courage he gained from having grown up on a farm helped him navigate for over twenty years the peaks and valleys of owning a business. His service to his community, our state, and to FTCC is admirable and serves as his way of giving back to those who helped him chart his journey of life. The renaming of FTCC's Horticulture Educational Center to reflect the name of Wesley A. Meredith [Horticulture Educational Center] is a fitting tribute to one who actively engages in support of education in general and, more specifically, in support of the pathway of North Carolina's community colleges in achieving success."

Board of Trustees

Mr. Ronald C. Crosby, Jr., Board Chairman

Dr. Linwood W. Powell, Vice Chairman

Mrs. Delores P. Ingram, Secretary

Dr. Dallas M. Freeman

Mrs. Suzannah Tucker

Dr. William D. Haithcock

Quality Assurance*

HONORS

Adult High School and High School Equivalency Honors

Adult High School graduating students who maintained an overall 4.0 GPA are identified by two gold cords. Students who maintained an overall 3.5 or better GPA are identified by one gold cord.

High School Equivalency graduating students who have completed the HSE achieving a score of 700 and above or who have completed the HiSET achieving a score of 85 and above are graduating "With Distinction."

Curriculum Student Honors

Students graduating with Highest Honors have completed course work with a perfect 4.0 average and are identified by the gold cord; students graduating with Honors have completed course work with a 3.5 or higher average and are identified by the gold tassel.

The silver stole or purple-and-silver cords identify FTCC's members of the *National Technical Honor Society*.

The gold stole or gold-and-blue cords identify FTCC's members of *Phi Theta Kappa*, the International Honor Society of Two-Year Colleges.

The green-and-gold cords identify FTCC's members of *Sigma Kappa Delta*, The National English Honor Society for Two-Year Colleges.

The black-and-gold cords identify FTCC's members of the Honors College. Students graduating with the Honors College designation have completed required courses, maintained a 3.5 or higher grade point average, and completed the Honors College portfolio.

Fayetteville Technical Community College President's Award

The award this evening is given by the FTCC Foundation to a deserving student selected by a faculty-staff committee. To be eligible for this award, a student must have a minimum GPA of 3.0 and must have been enrolled on a full-time basis during the year of nomination. The student must exhibit and promote good student morale and demonstrate a genuine concern for FTCC and its role in the community.

* Denotes high school student who completed a certificate, diploma or degree program while still in high school

^P Denotes Cumberland Polytechnic Cooperative Innovative High School student who has completed a college level diploma, degree, or certificate while attending high school

Academic Regalia

Students and guests often ask the significance of the colors of the lining of the hoods and the velvet bands worn by the faculty during graduation exercises. The hood (over the robe with colors on it) signifies that the wearer holds a Master's Degree or a Doctorate Degree. The hood has two colors displayed. The color that lines the hood represents the institution from which the wearer graduated. Each school has its own color. The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Stripes on the sleeve of the academic robe signify that the wearer holds a Doctorate Degree.

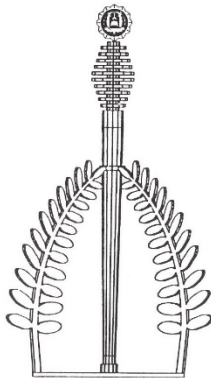

Apricot – Nursing
Brown – Fine Arts
Cream – Social Science
Dark Blue – Philosophy
Drab – Business Administration
Golden Yellow - Science
Light Blue – Education

Orange - Engineering
Peacock Blue - Public Administration
Purple - Dentistry
Sage Green – Physical Education
White – Arts, Letters, and Humanities
Yellow – Library Science

The College Mace

Historically, a mace was a heavy medieval war club used in battle. Today it is a ceremonial staff borne or displayed as a symbol of authority. Borne by the Chief Marshal in all college academic processions, the Fayetteville Technical Community College mace was designed and adopted in 1997.

The College mace is 40 inches in length and is topped with a bronze alloy, gold-plated replica of the College seal. Supporting the seal are 10 brass circles which symbolize the infinite need for lifelong education. The head is supported by a 30-inch-long walnut staff with a solid brass tip. The entire mace weighs 20 pounds and is stored in a brushed stainless steel base of laurel leaves.

The College mace and stand were designed, constructed, and donated by Mr. David McCune, Sr., owner of McCune Technology, former FTCC Board member, and former FTCC Foundation member. The College mace staff was designed and crafted by Mr. Don Wilkinson, former FTCC Cabinetmaking Department Chair.

The College Seal

The design of the seal incorporates several symbolic aspects of the College. The door represents opportunity; the electrons around the arrow symbolize technology and the future; and the open book represents knowledge and learning. These all are surrounded by the laurel wreath of achievement. The banner bears the College motto, *Esse Quam Videri*, translated, "To Be Rather Than to Seem."

The College seal was designed by Mr. Maury Ferrari, former FTCC Advertising and Graphic Design Instructor.
