Keynote Speaker

***Eric Mansfield, M.D.
Former North Carolina Senator
District 21
(2011-2012)***

Dr. Eric Mansfield was born in Louisiana and grew up in Columbus, Georgia. He obtained an ROTC scholarship and attended Howard University in Washington, D.C. He deferred his U.S. Army military service to attend Morehouse School of Medicine. He then relocated to New Orleans, Louisiana, to attend Surgical and Otolaryngology Residency at Tulane University School of Medicine.

Upon completion of his educational training, Dr. Mansfield relocated to Fort Bragg, North Carolina, where he was assigned to Womack Army Medical Center and acted as the Battalion Medical Officer for the 2-505 Parachute Infantry Regiment in the 82nd Airborne Division. He also served as the Chief of Otolaryngology Services at Womack Army Medical Center from 1998-2001. During this time, he deployed to Kosovo with the 2-505 Parachute Infantry Regiment. After his military service, he opened Cape Fear Otolaryngology in Fayetteville, an ear, nose, and throat medical practice.

After 15 successful years in practice in Fayetteville, Dr. Mansfield moved to Holly Springs, North Carolina, to give his wife the opportunity to attend law school at North Carolina Central and his son the opportunity to enroll in the Engineering Academy at Southeast Raleigh Magnet High School. After four years, Dr. Mansfield saw the need for an otolaryngologist in the community and opened Holly Springs Ear, Nose, Throat & Allergy in March 2018.

In addition to the field of medicine, Dr. Mansfield shares multiple interests. In 2001, he was ordained as a minister in the Union Baptist Association. He served as pastor of Poplar Springs Baptist Church in Rockingham, NC; associate minister of Lewis Chapel Baptist Church in Fayetteville, NC; and interim pastor of the historic Oberlin Baptist Church in Raleigh, NC. He currently serves as an associate minister at Mount Peace Baptist Church in Raleigh, NC.

Dr. Mansfield served as a North Carolina State Senator representing District 21, Cumberland and Hoke Counties. His belief that education is a lifelong pursuit led him to complete a master's degree in Public Health from the University of North Carolina in 2010.

Dr. Mansfield serves on the Board of Trustees for Saint Augustine University in Raleigh, NC, and the North Carolina Justice Center. He has taken on the challenge of CrossFit and is an avid member of CrossFit Shoofly in Fuquay-Varina.

Dr. Mansfield is married to Donna Mansfield and is the proud father of Erica and Thomas.

HONORS

Adult High School and High School Equivalency Honors

Adult High School graduating students who maintained an overall 4.0 GPA are identified by two gold cords. Students who maintained an overall 3.5 or better GPA are identified by one gold cord.

High School Equivalency graduating students who have completed the HSE achieving a score of 700 and above or who have completed the HiSET achieving a score of 85 and above are graduating "With Distinction."

Curriculum Student Honors

Students graduating with Highest Honors have completed course work with a perfect 4.0 average and are identified by the gold cord; students graduating with Honors have completed course work with a 3.5 or higher average and are identified by the gold tassel.

The silver stole or purple-and-silver cords identify FTCC's members of the *National Technical Honor Society*.

The gold stole or gold-and-blue cords identify FTCC's members of *Phi Theta Kappa*, the International Honor Society of Two-Year Colleges.

The green-and-gold cords identify FTCC's members of *Sigma Kappa Delta*, The National English Honor Society for Two-Year Colleges.

The black-and-gold cords identify FTCC's members of the Honors College. Students graduating with the Honors College designation have completed required courses, maintained a 3.5 or higher grade point average, and completed the Honors College portfolio.

Fayetteville Technical Community College President's Award

The award is given by the FTCC Foundation to a deserving student selected by a faculty-staff committee. To be eligible for this award, a student must have a minimum GPA of 3.0 and must have been enrolled on a full-time basis during the year of nomination. The student must exhibit and promote good student morale and demonstrate a genuine concern for FTCC and its role in the community.

Academic Regalia

Students and guests often ask the significance of the colors of the lining of the hoods and the velvet bands worn by the faculty during graduation exercises. The hood (over the robe with colors on it) signifies that the wearer holds a Bachelor's Degree, Master's Degree or a Doctorate Degree. The hood has two colors displayed. The color that lines the hood represents the institution from which the wearer graduated. Each school has its own color. The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Stripes on the sleeve of the academic robe signify that the wearer holds a Doctorate Degree.

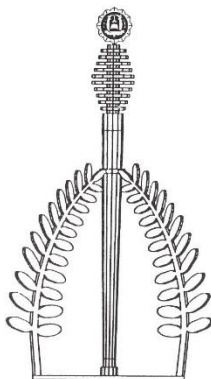

Apricot – Nursing
Brown – Fine Arts
Cream – Social Science
Dark Blue – Philosophy
Drab – Business Administration
Golden Yellow - Science
Light Blue – Education

Orange - Engineering
Peacock Blue - Public Administration
Purple - Dentistry
Sage Green – Physical Education
White – Arts, Letters, and Humanities
Yellow – Library Science

The College Mace

Historically, a mace was a heavy medieval war club used in battle. Today it is a ceremonial staff borne or displayed as a symbol of authority. Borne by the Chief Marshal in all college academic processions, the Fayetteville Technical Community College mace was designed and adopted in 1997.

The College mace is 40 inches in length and is topped with a bronze alloy, gold-plated replica of the College seal. Supporting the seal are 10 brass circles which symbolize the infinite need for lifelong education. The head is supported by a 30-inch-long walnut staff with a solid brass tip. The entire mace weighs 20 pounds and is stored in a brushed stainless steel base of laurel leaves.

The College mace and stand were designed, constructed, and donated by Mr. David McCune, Sr., owner of McCune Technology, former FTCC Board member and former FTCC Foundation member. The College mace staff was designed and crafted by Mr. Don Wilkinson, former FTCC Cabinetmaking Department Chair.

The College Seal

The design of the seal incorporates several symbolic aspects of the College. The door represents opportunity; the electrons around the arrow symbolize technology and the future; and the open book represents knowledge and learning. These all are surrounded by the laurel wreath of achievement. The banner bears the College motto, *Esse Quam Videri*, translated, "To Be Rather Than to Seem."

The College seal was designed by Mr. Maury Ferrari, former FTCC Advertising and Graphic Design Instructor.
