

Dear New Dental Assisting Student:

Congratulations on your acceptance to the **Dental Assisting Program** at Fayetteville Technical Community College. We hope you are looking forward to a challenging career choice. Your acceptance into the Dental Assisting Program is subject to the following conditions:

1. If you are currently a Category II applicant, you must complete all prerequisites with a "C" or better.
2. You must continue to maintain a major grade point average of 2.0 or above and cumulative grade point average of 2.0 or above prior to entering the Dental Assisting Program.
3. Once you enter the Dental Assisting Program, you are subject to the rules and regulations of the Dental Assisting Program.

Prior to entrance into the Dental Assisting Program, you must fulfill certain obligations:

1. Your [Viewpoint Screening Account](#) (opens in new window) must be set up and your immunizations submitted by July 15. The first Hepatitis B vaccination must be completed prior to the start of classes and you must receive a positive titer after the Hepatitis B vaccination series is complete. Once you access the Viewpoint website, please follow the steps under the "Dental Assisting" tab to set up your account and submit your immunization records. Do not get your flu shot yet, it will be rejected. We will complete those during the October-December time frame.
2. Complete the training videos on HIPAA and Preventing Bloodborne Infection through the Viewpoint Screening website.
3. CPR for BLS Provider (including AED) must be completed and documentation submitted prior to the start of classes. *CPR must be renewed annually in the Dental Assisting Program and must be a face-to-face course through American Heart Association, BLS Providers CPR. The expiration date must exceed 90 days after your expected graduation.
4. A required uniform package has been selected for you at Castle Uniforms, 1800 Skibo Road #228, location (910-485-4429). Castle Uniforms has arranged a reduced group rate for this package. You should be prepared to pay a minimum of ½ down deposit on the day of package order. You should visit Castle Uniforms before July 1 to be fitted, as uniform orders take approximately 4-6 weeks for delivery.
5. A required summer Meet and Greet is tentatively scheduled on the third Wednesday in June at 10am. Location will be HTC 113.
6. You will be registered for your fall courses during the summer Orientation. Please do not register beforehand unless you need BIO 161, as DEN course sections must be synchronized.

Once again, we congratulate you on your achievements and wish you success in your curriculum. We look forward to helping you achieve that success.

Best regards,

Mrs. Sandra M. Walker CDA, CPFDA, CDIPC, BS
