

Medical Laboratory Technology Program

Dear New Medical Laboratory Technology Student:

Congratulations on your acceptance to the **Medical Laboratory Technology (MLT) Program** at Fayetteville Technical Community College (FTCC). We hope you are looking forward to a challenging career choice. This is an exciting time and we want to ensure you have everything you need to prepare for the beginning of your career.

Your acceptance into the Medical Laboratory Technology Program is subject to the following conditions:

1. If you are currently a Category II applicant, you must complete all prerequisites with a "C" or better.
2. You must continue to maintain a major grade point average of 2.5 or above and cumulative grade point average of 2.0 or above prior to entering the Medical Laboratory Technology program.
3. Once you enter the MLT Program, you are subject to the rules and regulations of the Medical Laboratory Technology Program.

Prior to entrance into the MLT Program, you must fulfill certain obligations:

1. Mandatory Orientation Session for MLT program, which will be conducted on Friday, June 20, 2025 at 9:00 AM at Health Technologies Center (HTC) Building, Room # 155.
2. A required uniform must be purchased from Castle Uniforms, 1800 Skibo Road #228, Fayetteville, NC 28303, 910-485-4429. Uniform orders take approximately 4-6 weeks for delivery.
3. Complete required safety training modules provided during the orientation session.
4. Register for the FALL MLT Classes: Introduction to MLT (MLT-110), Urinalysis & Body Fluid Analysis (MLT-111), & Medical Lab. Chemistry (MLT 118). You may also register other general education courses as needed for this semester.

Please check your student email account at least once per day going forward. This is our primary means of communication and the mode we will choose to provide information about your orientation session.

Once again, we congratulate you on your achievements and wish you success in your curriculum. We look forward to seeing you on June 20, 2025 at 9:00 AM. If you have any questions, please contact me via the e-mail or phone number listed below.

Sincerely,

Henock A. Haile, PhD., MLS(ASCP), AHJ(AMT)
