## Important Information:

- *Students are responsible for meeting all obligations in obtaining, completing, and receiving funds from Federal Pell Grants, scholarships, etc. Registration and payment of classes is required for class attendance; students are responsible for payments of classes in a timely fashion.*
- *Tuition is based on the in-state rate of \$76.00 per credit hour. A \$15.00 Campus Access fee, a \$48.00 Technology fee, and a \$35.00 CAPS fee are payable per semester. Malpractice insurance is to be paid yearly. Insufficient funds and nonpayment for classes may result in dismissal from class until financial obligations are met. Any classes missed will be penalized.*
- *Based on the number of hours, the SFA Program does not qualify for financial aid. However, FTCC does have a payment plan that can assist with tuition.*
- *If textbooks are purchased through the FTCC Bookstore, they are bundled for a cheaper price.*
