

Fayetteville Technical Community College Class Offering Types – Fall 2020

Face-to-face = traditional classroom-style instruction held at an FTCC campus location

Hybrid/blended = may involve face-to-face on-campus, online, and/or virtual instruction

Online = no on-campus instruction - student can log in at any time from any location via Blackboard to receive assignments, submit assignments, and participate in classroom discussions related to the class

Virtual/Synchronous = involves online instruction but in real time - student logs online at a specific time to receive online instruction and see the instructor's delivery of the class in real time
