Staff Council's Projects

As we progress through 2025, we take this opportunity to reflect on our current achievements and set our sights on future goals.

- We hosted a tabletop decoration contest during the holiday celebration, which was a huge success!
- We provided pins and thank-you cards to all staff members in February to express our appreciation for all that you do for FTCC.
- We are developing new projects, events, and initiatives in the upcoming year.
