Meet members of Staff Council

Linoshka Johnston

Term: 2024-2026

Connecting with others comes naturally to me, and I always try to bring a positive attitude. I enjoy working with people, sharing ideas, and learning from different perspectives. I am down-to-earth, and I try to make others feel comfortable. I am the kind of person who tries to put a smile on your face, and yes, I am a hugger! I am always willing to make a difference in somebody's life. I enjoy new opportunities that help me grow. I bring passion and a genuine desire to do good in everything I do. So when you see me, flash a smile and throw up a wave, and I will do the same!
